[発行日]	Questions	
April No.1		

1. In Japan, the entrance ceremony is in April, but in the world the majority of school entrance is in September. So why is school entrance in Japan in April?

2. In addition to the United States and the United Kingdom, which have internationally prestigious universities, Spain, France, and other European countries, and now in Asia, China has also implemented school entrance in September. Japan is starting to consider fall admission to colleges, but what are the benefits of fall admission?

3. What are the disadvantages of enrolling in fall?

4. Speaking of elementary school entrance, I can recall the randsels. When did schools start using randsels?

5. What are the recent prices for randsels?

[発行日]	Questions	
April No.1		

6. Many elementary school students have lunch bags hanging on their randsels. Did you have school lunch when you were an elementary school student? If so, what was your favorite menu? If you did not have school lunch, please tell us about your favorite side dishes in your lunch.

7. Please tell us about the menu that you did not like as well as any side dishes that you did not like.

8. Did you go to the elementary school in a group with other elementary school students living in the same area? Or did you go to school by yourself?

9. Were there any animals that were kept—at your elementary school at the time? What was the elementary school playground like? Tell me what you remember.

10. What was your favorite subject when you were an elementary school student?
